14 February 2011

Dear Parent/Guardian,

## Collection for Specific Purposes

According to the Education Bureau policy for school-based management, schools are allowed to collect fees for improving school facilities so as to enhance the learning environment for students.

Our major improvement project for 2010-2011 is the renewal of computer facilities in the Multi-media Learning Centre (MMLC). The project was completed with a total expenditure of \$268,638.00. Additional resources are required to handle the above-mentioned work.

The school, after obtaining approval from the School Management Committee, would like to collect \$300 from each student (those who have brothers/sisters in our school need to pay one portion only) to cover the expenses. Needy parents can apply for exemption in writing.

On behalf of the School Management Committee, I appeal to all parents to support the project.

Please fill in the Reply Slip attached and return it to the class teacher through your child/ward on or before 21 February 2011.

Thank you.

Yours sincerely,

G.W. Au  
Principal

## 高主教書院中學部 認可收費作特定用途

根據教育局規定，為實踐校本管理的精神，學校如有需要，可向家長收取費用作特定用途，以改善學校環境設施及提高學習成效。

本校今年的重點改善項目為更新多媒體學習中心內之電腦設施，是項工作現已完成，耗費港幣二十六萬八千六百三十八元。

上述項目需額外資源處理，故在取得校董會的同意下，本校擬於本學年向每位學生收取港幣三百元(如有多名子女在本校讀，只須繳付一份費用)，以應付開支。經濟有困難的家長，可書面提出申請豁免繳交。

本人謹代表校董會籲請各家長贊同此事，請填妥回條，並於二零一一年二月二十一日前經由 貴子弟交回班主任為荷。
