## Dear Parents, Alumni and Friends,

Time flies like an arrow. We are approaching the end of this fruitful year, which also signifies the commencement of our 60th Anniversary celebration. Thanks to the unrelenting support of Raimondi Alumni Association (RAA) and Raimondi College Parent-Teacher Association (RCPTA), with whose dedication and enthusiasm, we have kicked off the fundraising walkathon "Walk in Unity" in February 2017 as well as the opening of the Raimondian Basketball League in March 2017. I am delighted to report that the amount of funds raised is around one million Hong Kong dollars, which will be used for upgrading the facilities of both sections and supporting small class teaching scheme of the Secondary Section. We are now anticipating the launch of Trio Harmony 2017 - Diamond Prelude on 3 July 2017 that will wind up our hard work with music and love.

I am always proud of Raimondians who achieve outstanding results not only academically but also in the fields of sports and music. I am glad to share the good news with you that the school Basketball Team (Division II) obtained the A Grade and Boys Overall Championships of the Inter-school Basketball Competition 2016-17 (Hong Kong Area) respectively, and will be promoted to Division I next year. Also, our school Badminton Team won the Inter-school Badminton Competition 2016-17 Division I, being the champion for B Grade and 1st Runner-up for A Grade. In addition, both the String Orchestra and Wind Band of the Primary Section obtained the Gold Award of the Hong Kong Joint School Music Competition 2017. All these remarkable achievements speak volume of the committed effort and perseverance of Raimondians. I would like to extend my heartfelt gratitude to our parents and teachers for their unwavering patience and guidance to make our students thrive in these fields.

This year, we have forged an even closer relationship among the three sections. In addition to the coordination of the Primary and Secondary Sections in curriculum bridging and gifted education, the association between the Primary and Kindergarten Sections is further enhanced. Such is evident in the reciprocal visits of the teaching staff of the two sections and the introductory talk organised for parents of Kindergarten Section, making them well informed of the bridging arrangement and current development of the Primary Section. Our concerted effort and the sense of unity are also manifested in the events like Walk in Unity and Trio Harmony, in which collaborations among the three sections are more frequent than ever.

I would like to take this opportunity to invite you all to join us, to share the joy in celebrating our Diamond Jubilee and pay tribute to the Founder of the School.

Let us continue to persevere in unity and fly beyond boundaries!

God Bless,

**Ms. Louisa Lo**  
**Chief Principal**

願恩寵與平安由天主我們的父和主耶穌基督賜與你們。  
(斐 1 : 2)

give you grace and peace." (Philippians 1:2)*

# Student Support

## High Tea with Ms. Lo

Student representatives were invited to spend a lovely afternoon enjoying cups of tea and palatable treats with me in March 2017.

The occasion granted both parties an invaluable opportunity to exchange viewpoints about the School's mission and policies in a relaxing atmosphere. I look forward to more sharing of this kind with students across the forms.

*A lovely afternoon with student representatives.*

## RC Alumni Careers Expo 2017

Jointly organized by Department of English and the Careers Team, "RC Alumni Careers Expo 2017" was held successfully at Karl Hall in March 2017.

*Heartfelt thanks to alumnus guest speaker, Dr. Lee Lap Fai, Assistant Professor of Lingnan University.*

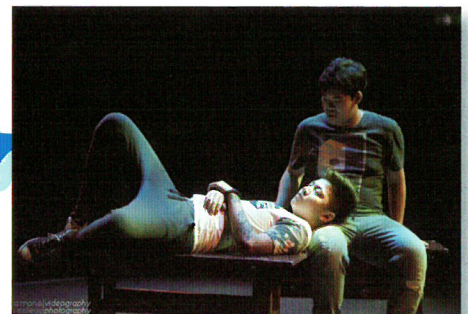

The expo served as a milestone program for all S.5 students to acquire updated workplace information and requirements on future endeavours, while fostering Raimondians to excel in the elective module, "Learning through Workplace Communication" in English Language, through inspiring seminars by alumni professionals.

Raimondians were all thankful to all exemplary and esteemed alumni for their fabulous sharing.

## 中文劇社2017公演 反思生命意義

在4月15及16日，本校中文劇社與明愛賽馬會石塘咀青少年綜合服務合作，於葵青劇院公演兩場話劇。本年度作品以《尋·命》為題，以話劇形式探討生命的意義，呼應本年度主題「愛與生命」。

*"God keeps every promise he makes. He is like a shield for all who seek his protection." (Proverbs 30:5)*

## Reunion of Class of 1966

Around 40 alumni from class of 1966 enjoyed a reunion gathering which was full of reminiscences and joy. The former schoolmates revisited the classrooms and playgrounds in which they have once gone through sweat and tears. But most importantly, they strengthened friendship, renewed ties to the School, and simply enjoyed feeling young again!

The class of 1966 have a great time reminiscing the good old times in alma mater.

## English Week

The English Society prepared an array of thrilling events which kept students on the edge of the seats at the English Week from 14 to 17 February 2017. The week was kicked off by an opening ceremony and RC's Got Talent in Karl Hall. The show reached its climax when the teachers' team performed Cup Song and our NET sang at the Song Guessing Game. There were also a Junior Secondary Public Speaking Contest and S.5 Trade Market which boosted students' confidence in speaking English and created a language-rich learning environment conducive to effective learning of English.

## 一年一度維園年宵攤位—「高檔」

每年農曆新年前夕，本校學生都會於維園年宵市場投下攤檔擺賣，今年亦不例外。經營年宵攤檔不但能讓同學體驗營商的各項流程，更重要的是讓同學協作學習，團結各年級的同學。除一眾同學外，校監、校長、老師、家長、舊生皆有到場支持，場面熱鬧。

校董、校監、校長、家長及一眾教師都有到場支持。

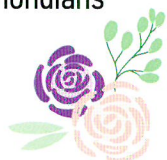

*"He has set the right time for everything." (Ecclesiastes 3:11)*

# Campus Highlights

## STEM in Action – Calculating the Carbon Footprint

Our School has been initiating investigative projects on Science, Technology, Engineering and Mathematics (STEM) for the novice scientists. Concerned about global warming, a group of S.5 students, led by Physics and Chemistry teachers, have designed and carried out a project to measure students' carbon emissions by analyzing the amount of tissue paper used and the electricity consumption of the hand dryer in a male toilet at School since October 2016. The hands-on project helped unleash Raimondians' potential in innovation undoubtedly.

# Religious Activities

## 聖灰瞻禮 迎接耶穌復活

本校於3月1日舉行聖灰瞻禮，作為四旬期的開始，以慕道、更新和準備迎接耶穌復活。當天禮儀由陳志明副主教主禮，帶領信友走向巴斯卦，並領受聖灰，提醒公教同學和教師必須用守齋來走這條皈依的道路，建立克己、謙卑的精神，並藉著懺悔與補贖來對抗罪惡。

## 拜苦路 紀念耶穌苦難

3月20日，本校公教同學和教師在四旬期跟隨耶穌行走苦路，以「拜苦路」的禮儀來紀念主耶穌的苦難，讓公教同學和教師明白在人生路上有復活的基督陪伴，一同通往永生的道路。

## Baptism of Teachers

It is a time to be jubilant. We are pleased to announce that three of our teaching staff, Ms. E. Ko, Ms. J. Chung and Ms. Q. Law, were baptized during Easter, a time of resurrection and rebirth. They had gone through a spiritual journey to know the truth, reflect upon their belief, convicted and be sanctified before they welcomed the big day. A number of members from our school were also there to bless the three new grapes. Let's pray that they continue to be more like Jesus and walk in His true light always.

*"My heart praises the Lord; my soul is glad because of God my Savior." (Luke 1 :46-47)*

# Speech Day

The Speech Day was successfully held on 2 June 2017. We celebrated the evening with pride and joy while feeling emotional as we bid a fond farewell to the young fellows who had to leave their cradle, spread their wings and soar.

Raimondians with different achievements were also awarded on this special occasion. We were glad to see our boys and girls rewarded for their effort and perseverance.

Another highlight must be the presentation of long-term service awards. 12 teaching staff had reached another 5 years teaching in RC. Among them, Mr. L. Yeung, our assistant principal, and Mr. R. Wong were presented the 30 years of service awards. Dr. E. Lee, our vice principal, and Ms. P.H. Yung were also given the silver jubilee awards. We are truly thankful to have a team of committed educators. Other highlights included the congregation addressed by our guest of honour, Mr. Cheung Wing Lam Linus, JP, and the orchestras' performances.

The ceremony ended with the school hymn. "And when we leave thy portals fair, at the parting of the ways, the memory of our years with thee, we'll count among the best..." May this be our sincere blessing to our Raimondians.

Mr. Linus Cheung Wing Lam, JP, Guest of Honour, gladly receives the Chinese painting drawn by Yung Yee Chit (S.5D) from Mr. Peter Lee, Supervisor, Kelvin Ho (S.5C), Head Prefect, and me.

Mr. Wong Chun Nam Johnny, an alumnus of class of 1966, joins us at the ceremony.

# Staff Development

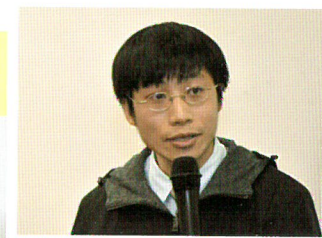

## Second Staff Development Day

As the academic year came to its second half, all teaching staff gathered again on 15 March 2017 to share, learn and be inspired. This time, five teachers shared how they had successfully enhanced classroom interaction by developing students' self-directed learning capabilities and by emerging them into a mobile device supported learning environment. In addition, the STEM team teachers also shared some of their current practices and described the opportunities ahead. Later, teachers were formed into different groups. Existing programmes were evaluated, and future plans in corresponding areas were discussed.

## 「天主教學校領導」培訓計劃

為使教師更深入認識天主教辦學理念及學校專業領導，教區學校中央校董會於本年繼續舉辦「天主教學校領導培訓計劃」(Catholic School Leadership Development Programme)。於5月15及17日，兩位分別來自天主教崇德英文書院和長沙灣天主教英文中學的老師，參加兩次駐校附訓活動。兩位教師與我校師生互相交流，分享教學及管理心得，令彼此受益匪淺。

## 多元智能課 - 兒童編程 (Kids Coding)

小學部於本年度在多元智能課開設Kids Coding編程活動。教導學生編寫程式。這課程不但可以提升學生邏輯思維及數理能力，更能發揮學生的創意。

學校於2月11日曾派出三位六年級學生，分別是6A班黃祚懷、翟翹彥及6D班麥誌榮參加由聯校資訊科技學會主辦的2017 Formula m香港站暨智慧型循線競賽，他們在智慧型循線競賽中獲得小學組亞軍。是次比賽要求學生學懂編寫程式來控制mBot機械車，並以最快的速度完成整條比賽路線。整個比賽過程中，必須由學生三人自行修改程式和測試效果，老師不能在比賽場館內協助及觀賽。是次比賽充分表現出同學對編寫程式及mBot機械車各零件有透徹的認識及解難能力。

*"Instead, they find joy in obeying the Law of the Lord, and they study it day and night." (Psalm 1:2)*

# Secondary & Primary Coordination

## 水運會師生同樂

本年度水運會於維多利亞公園游泳池舉行。水運會為中、小學合辦，場面盛大，不少家長、舊生均有到場觀看賽事。此外，本年我校復行社際，各社社員皆為所屬的社賣力打氣。當日焦點落在壓軸項目－接力賽之上，參賽者包括教師、家長、舊生及學生。參賽者的出色表現哄動全場，為水運會劃上完美句號。

一眾中學部教師參與接力賽，與學生、家長同樂。

## Secondary One Admission Talk

Having held the School Visit Tour in December, the School conducted another Admission Talk for the upcoming S.1 students and their parents on 8 April 2017 in the Primary Section. The talk kept parents posted about the latest information on the Secondary School Places Allocation (SSPA) System, the admission criteria and procedures of the School. The informative talk received overwhelming response from the students and parents.

Parents enthusiastically ask about the SSPA System during the Q & A session.

Mr. L. Yeung, Assistant Principal, explains the admission information to the parents.

*"All of us should eat and drink and enjoy what we have worked for. It is God's gift." (Ecclesiastes 3:13)*

# Primary & Kindergarten Coordination

## Visit to Raimondi College Kindergarten Section by Teachers of Primary Section

On 19 May 2017, a group of 21 teachers from the Primary Section visited Raimondi College Kindergarten Section. The purpose of the visit was to exchange views on the curriculum bridging and keep abreast of the current development of the Kindergarten Section. A guided campus tour was arranged, and teachers joined the morning assembly doing exercises and playing games with all the students of the A.M. session.

Most of them were revitalized by the innocent smiles of the students as well as the enthusiasm of the Principal and the teaching staff. They were greatly impressed by the pedagogy underlying the interactive activity-oriented teaching method and the creativity and thoughtfulness in preparing the teaching materials. After the visit, teachers of the Primary Section felt excited and inspired by the keenness and vitality of the Kindergarten Section, which drove them to go beyond and strive for excellence.

## Introductory Talk for K2 Parents of Raimondi College Kindergarten Section

In order to foster a closer link between the Primary Section and Kindergarten Section of Raimondi College, an introductory talk was organized for K2 parents of Kindergarten Section by the Primary Section in the morning on 10 May 2017. More than 300 parents participated in the event. They were greeted by a lively performance of the School String Orchestra before the talk. As the Chief Principal, I delivered a welcoming speech, followed by an introduction of the school presented by Ms. M.M. Lau, Principal (Acting) of the Primary Section. Details of the curriculum design and assessment arrangements were explained, and the bridging provisions were addressed so that parents were given a comprehensive picture of the studies in the Primary Section. A guided campus tour was arranged so that they were able to grasp a glimpse of primary students' real school life.

## 天主教幼兒學校中層教師觀課

天主教教區學校聯會於本年度主辦「天主教幼兒學校中層教師培訓計劃」，25位幼兒學校校長及中層老師於4月27日蒞臨小學部參觀及觀課，了解學生在初小階段的課堂學習內容及模式，為求更有效地規劃幼稚園與小學的課程內容與學習生活的銜接，及更清晰地了解學生升讀初小前需具備之能力。是次觀課讓小學教師在教學層面上獲益良多，而幼師的回饋使教師在初小課程安排及學生培育方面能作出更適切的改善及配合。

# Diamond Jubilee Celebration

## Raimondi College Diamond Jubilee Celebration

As Raimondi College is approaching its 60th anniversary, teachers, alumni and current Raimondians pay tribute to the School's brilliant milestones spanning these 60 years by participating in a series of Diamond Jubilee celebratory events.

### The First Wave of Celebration

To commemorate this special and joyful occasion, a fundraising walkathon "Walk in Unity" was organized by Raimondi Alumni Association (RAA) on 25 February 2017. All Raimondians from the Kindergarten, Primary and Secondary Sections, together with the dedicated alumni, teachers and parents set off from the Primary Section and finished at the Secondary Section.

Also, hundreds of alumni, current students, parents and teachers attended the opening ceremony of the Diamond Jubilee Raimondian Basketball League (DJ-RBL) in Wanchai Southorn Indoor Stadium on 5 March 2017. The bond among all the Raimondians from different generations was strengthened and they all witnessed the three core values in our school motto, "love", "unity" and "perseverance".
