Dear Parents, Teachers, Students and Raimondians,

## A Warm Welcome to the New Academic Year

The new school year has begun after the summer vacation, and I would like to extend my warmest welcome to all students. I wish you a fruitful year ahead as we embark on this new academic journey together. I would like to express my heartfelt appreciation to Ms. Louisa Lo, our esteemed Supervisor, and the Incorporated Management Committee for their steadfast support. The distinguished tradition of excellence at our school reflects the dedication shown by our devoted parents and committed alumni.

I would like to take a moment to express our sincere appreciation for the contributions of our retiring staff members: Mr. Roger Lo, our dedicated Vice Principal; Mr. P.M. Ho, the esteemed head of the Mathematics Department; and Ms. Y. L. Ku, the head of the Chinese History Department. Their hard work and dedication have left a lasting impact on our school community. We wish them all the best as they embark on this new chapter of their lives.

I am also delighted to announce that Mr. T. Li has been appointed as the Assistant Principal of our school. We look forward to his leadership and the fresh perspectives he will bring to our management team.

Reflecting on the achievements of the 2024-2025 academic year, I am proud to share that our teaching team continues to set benchmarks in educational innovation. The English and PSHE Departments received Gold and Silver E-learning Medals from the University of Hong Kong, highlighting our commitment to student-centered learning. Despite intensified competition, our school has maintained its academic performance. Our JUPAS offer rate remains impressively high, and the percentage of students scoring 5\* across subjects has reached a new peak. Additionally, our school orchestra earned a Gold Medal in musical performance, and our athletes and STEAM innovators continue to embody the spirit of perseverance and creativity.

We are committed to empowering students to excel in both academic and extracurricular pursuits while fostering their holistic development. Raimondians will continue to thrive and surpass expectations through the five core values of Catholic Education, along with our key focus areas for the year:

1. To reinforce an AI-assisted learning environment that enhances collaboration and creativity while systematically developing students' language proficiency.
2. To promote an engaging school culture that fosters positive growth and character development in students, helping them build a healthy, fulfilling and meaningful life.

As we embark on this transformative and inspiring academic year, we will collectively embrace the core values of Catholic Education—Love, Life, Family, Justice, and Truth—while steadfastly upholding our motto, "In Constantia Fortitudo." Wishing everyone a successful and enriching academic year!

God bless.

In Christ,

Mr. T. O. Ho  
Principal
